

## **Cancellation conditions**

### **Two possible types of cancellation:**

- • The owner requests a cancellation with progressive values according to the date of communication of the cancellation with respect to the date of delivery of the boat (cancellation type A);
- • no cancellation requested by the Owner (canceling type B).

### **Cancellation Type A**

- • If the cancellation notice is made by the customer (Guest) to the owner (Host) and to Remy more than 30 days before the scheduled delivery date of the Boat, the Guest is entitled to 100% reimbursement of the Retail Price minus the cancellation management cost, equal to 15.4%, minus the transaction cost of 2%, net of taxes and fees if applicable.
- • If the cancellation notice is made by the customer (Guest) to the owner (Host) and to Remy in the period between 10 days before the scheduled delivery date of the Boat and 30 days before the same date, the refund to the Guest it will be equal to 60% less the cost of cancellation management, basis 15.4%, and less the transaction cost of 2%, net of taxes and fees if applicable.
- • If the cancellation notice is made by the customer (Guest) to the owner (Host) and to Remy within 10 days before the scheduled delivery date of the Boat, nothing will be refunded to the Guest. The amount of the missed rental will be returned to the Host net of the Remy Service Price.

### **Cancellation Type B**

In the event that the Host does not request in the Advertisement any cancellation clause, the entire amount of the missed rental will be returned to the Guest deducted the cost of cancellation management equal to 15.4%, and deducted the cost of the transaction equal at 2%, net of taxes and fees if applicable.

### **Clarification**

- 1. The costs of managing the cancellation and the transaction are calculated on the entire retail Price established in the Adv..
- 2. If the customer decides to return the boat before the scheduled date, the days not spent on board are not reimbursed.
